

FIELD EXCURSION 2

9 - 13 September 2024
Stellenbosch | South Africa

15th Aquaculture Association of Southern Africa conference

Marine Aquaculture / Mariculture Technical Tour

- Date:** Monday 9 September 2024
- Time:** Depart 8h00 and will return at approximately 17h00.
- Dept Point:** The coach will depart from the entrance of the Coetzenburg Athletics Stadium, Suidwal Street/South Bank Road, Stellenbosch.
- Tour Itinerary:** A visit to one of the first and largest land-based aquaculture abalone farms. Boot-up for a guided tour of ABAGOLD inside the New Harbour of Hermanus and witness the impressive technical infrastructure providing sea water and aeration to more than 40,000 baskets. Visit the state-of-the-art nursery and hatchery which is geared to produce 1million spats per month for grow-out. Learn how this power intensive industry is dealing with the electricity challenge using back-up generator and solar power.
- Cost of the tour:** R825 per person.
- Includes:** Return to Stellenbosch, abalone farm tour, light refreshments and packed lunch.
- Excludes:** Abalone and abalone products as well as entrance fees at tourism stops en-route and in Hermanus.

This tour is only available to registered delegates of the Aquaculture Conference 2024.
